

2010-2011 Leadership

Congratulations to all leadership selected to serve. There will be a meeting/cleaning party on Thursday June 10, 1:30 pm after finals. The leadership list may seem larger this year. This is because we will be restructuring leadership roles and students not following directions will be removed from the leadership TEAM! If you are interested, please se Mr. Sever about attending a leadership camp (optional and at your expense). Again, CONGRATULATIONS!
